Associated Receives MHEDA's MVP Status

ADDISON, IL, October 18, 2011 - Associated has been awarded MVP (Most Valuable Partner) Status for 2011 in a new program from the industry's trade association, MHEDA (Material Handling Equipment Distributors Association). They earned this award because of their proven commitment to business excellence, professionalism and good stewardship. In order to receive this MVP status they were required to provide evidence of the commitment to their key stakeholders including customers, employees and suppliers. In addition they were evaluated on the quality of their industry and customer relations, peer-to-peer networking involvement, dedication to training for all employees and implementation business best practices.

About Associated:

Celebrating over 50 years of providing customers with innovative solutions that optimize storage and order fulfillment operations within their supply chain, Associated understands that handling materials in the supply chain should be more than material handling. By utilizing their unparalleled experience and industry best practices they are able to evaluate current methods and processes for storage, order fulfillment and equipment utilization and recommend practical strategies to enhance its effectiveness and reduce overall cost.

Featuring leading edge engineering and fleet management services to complement industry

leading sales, service, rentals and parts, Associated has been the recipient of multiple awards in recognition of being a premier organization in the material handling industry.
