## MORE THAN 3 MILLION PARTS AT YOUR DISPOSAL

When you purchase Raymond lift trucks, you get more than the industry's most technologically innovative and performance-built machines.

**You get a commitment to excellence from the company that has been transforming the industry for nearly a century.**

**RayBUILT remanufactured parts** are an affordable alternative when you are looking for an economical solution without sacrificing quality and dependability.

RayBUILT parts have the same precise quality criteria as factory-authorized Raymond Parts™. Authorized Raymond Parts go through a series of tests to give you the best quality products, exceeding industry standards including a one-year warranty.

When you choose factory-authorized Raymond Parts you will see results with superior quality and reliable parts performance.

Specializing in motors and drive units, we rigorously test and inspect each unit before shipping to our customers.

- + We guarantee our RayBUILT motors with a 1-year / 2,080-hour warranty
- + If, during that time, a RayBUILT part fails due to a defect in material or workmanship, you will receive a free replacement
- + Each RayBUILT part is backed by the Raymond name

**RayBUILT parts work hard to keep your fleet up and running and reduce service; saving you time and money to improve your bottom line.**
